October 2014 SBA 504 Rate is 5.00%

Recently Funded

Southland EDC recently helped finance the purchase of this property using the SBA's 504 loan program. The project included two medical offices located in Santee, CA. The purchase allowed the client to expand their office space and create new jobs in the community. The client also took advantage of Southland's environmental rebate promotion.

For a limited time Southland is offering rebates up to \$1,000.00 on environmental reports. To take advantage of this promotion contact one of our dedicated specialists.
